Cancellation of two June Classes

Due to budget reductions during the first half of this year and other funding issues at the Northeast Counterdrug Training Center (NCTC) of Pennsylvania

“Conducting Complete Traffic Stops”, scheduled for June 6-7, 2011-cancelled

“Interview & Interrogation”, scheduled for June 8-10, 2011-cancelled.

Those registrants affected by these cancellations are being contacted and will get first priority for seats once these classes are rescheduled. We are working with NCTC to reschedule these classes in the future as funding is restored.

NCTC UPDATE!

Good News!

We have been advised by NCTC that funding for training has been restored as of July 1 and

classes sponsored by NCTC for the fall at NEHIDTA will be held as scheduled.

Please go to NCTC at www.counterdrug.org to register for fall classes.

We are looking into possibly scheduling “replacement classes” that would fill in for the cancelled classes- more to follow as information becomes available.

We will continue to pass along any training opportunities that come to us.

If you know of a class or have a class that you would like to advertise through NEHIDTA please contact us and we will be happy to “network” with you.
